Introducer(s):

Energy and Technology Committee

Title: AN ACT MODERNIZING THE STATE'S TELECOMMUNICATIONS LAWS.

Statement of Purpose: To eliminate (1) the requirement that telecommunications and cable companies submit an annual audit to the Public Utilities Regulatory Authority, (2) the authority's power to reclassify as noncompetitive a competitive service, (3) the requirement for telecommunications service providers and telephone companies to file tariffs for competitive and emerging competitive telecommunications service, (4) the requirement that the authority approve the withdrawal by a telephone company of competitive telecommunications service, and (5) the requirement that the Department of Energy and Environmental Protection annually report to the General Assembly on the status of telecommunications service and regulation in the state.
